The stalling request form must be completed for all animals on grounds. A completed stalling request is needed when requesting stalling "with" another farm/exhibitor or group of exhibitors.

Stalling locations will be assigned for animals on grounds only, not number of animals entered. Stalling locations will be confirmed when animals arrive on grounds. Advance purchase of tack space is based on availability.

See page 19 of Premium Book.

The superintendents may not be able to honor all stalling requests.
