

2020 North American International Livestock Exposition

Exhibitor Check-In Process

Hello 2020 NAILE Exhibitors,

We are excited to have the opportunity to hold such an event even when most things seem uncertain. Things will be a little different this year but we hope to still have an exceptional event. Below is information outlining some of the changes and explaining the check-in process to gain access to the facility.

- Masks will be required to be worn by everyone on property, especially when social distancing is not achievable.
- Our Main Entrance (Gate 1), at the intersection of Freedom Way and Phillips Ln, will be the **only** entrance open to access the property. All other entry points are closed.

Before accessing the property, **EVERYONE** must check-in at Lot V, adjacent to the Main Entrance (Gate 1). Check-in runs 24/7, November 2-17. This is our check point for: Animal Health, COVID-19 waiver(s) and credential pick up.

From Phillips Lane you will turn into the marked check-in lot and turn right once enter the lot. Follow the cones leading toward the back of the lot where you will be directed to Animal Health.

Please have your health paperwork ready. If you do not have animals, you will proceed to Station #2.

1. Station #1 – Animal Health
2. Station #2 – COVID-19 Wavier & Wristband
 - At the 2nd Station you will turn in or sign your COVID-19 waiver, in exchange you will receive your COVID Wristband with your contact tracing number. You must have this wristband to gain access onto the property.
 - *If you are from a state with a positivity rate equal to or greater than 15%, 14 days prior to arrival and you can attest to quarantining for 14 days, you will need to complete a Travel Advisory form as well.*
 - All forms are available on the NAILE Website at <https://livestockexpo.org/premiumBookJudges.html>.
 - Forms can be printed and filled out before arrival, which will speed up the check-in process.
3. Station #3 – Credentials (***Please only pick up your packet***)
 - Please provide NAILE staff the Exhibitor Name(s) when arriving at this location.
 - Here you will receive your Building Access Badge and any Event Passes you pre-purchased. (*Additional Event Passes can be purchased at the Gat 1*)
4. Upon exiting Lot V, turn left on the Phillips Lane (unless directed elsewhere) where you will turn right towards Gate 1 to enter the property. Follow the traffic signs to staging areas designated for your species for unloading.
